

LETO HIGH SCHOOL MUSIC PROGRAM

4409 W Sligh Ave

Tampa, FL 33614

Dear Community Sponsors:

The Leto High School Music Program is seeking donations to help with the costs of running a successful music program. Leto High School is comprised of some of Hillsborough county's neediest students and has been designated as a Renaissance school. Renaissance schools are schools that have the highest number of students who qualify for free and reduced lunch. In spite of the challenges our students face, Leto High has a rich history of providing quality education to students. This high quality education includes providing excellent musical opportunities.

During the 2016-2017 school year, Leto High School's music program received the following honors:

Excellent at Lions Pride and Superior at MPA

We would like to expand our music program even more and present the students with additional opportunities to showcase their talents. This is where you can help. Leto High School Music Boosters is a non-profit organization that seeks to provide opportunities for students to have an enriching musical education and opportunities beyond what our very limited school budget is able to supply. Our program is in desperate need of instrument repair and replacement, uniform maintenance and replacement, and transportation costs, and general expenses.

On average, The music has a \$20,000 annual budget it needs to cover. Your generous donations will help with the following expenses:

- Specialized Instructors/Coaches
- Uniform maintenance, repair, and replacement
- Competition entrance fees and travel expenses
- Musical instrument repairs/maintenance
- General expenses

The Leto Music Program wants every student to have the opportunity to elevate his or her musical skills and abilities. We need your help and support! Your tax-deductible donation will help our students achieve their musical goals. Our Tax Exempt number is 85-8012621971C-8.

We are currently seeking items and/or gift cards for our raffle on December 15, 2017. Please know that no amount is too small or too large. Would you consider helping us?

Thank you in advance for supporting our students!
